

Testahil — EGX Daily News

Prepared Monday 22 June 2026 (after the close) · for the Tuesday 23 June session · educational market news, not investment advice.

Market wrap

Latest session (Sun 21 Jun): EGX30 closed +0.11% at 52,679.45 (confirm), with broad strength — EGX70 +1.39%, EGX100 +1.11%. Non-Arab foreign investors were net buyers of about EGP 172m while Egyptian and Arab investors were net sellers; market cap about EGP 3.76tn (Amwal Al Ghad; Middle East Observer).

Today's items

COMI & TMGH — Single-stock futures on CIB and Talaat Moustafa shares went live on the EGX, effective Sunday 21 June after a short delay (ad-hoc-news).

TMGH — Talaat Moustafa signed EGP 10bn of SouthMED construction contracts (21 Jun); H1 contracted sales were reported up 59% to about EGP 211bn (Egypt Today; EnterpriseAM).

FWRY — Fawry denied media reports linking it to an alleged USD 330m embezzlement/money-laundering case at an HSBC branch in France (Arab Finance).

EFIH — e-finance's H2-2025 cash dividend of EGP 0.119/share has a record date of 24 June and pays 29 June (Arab Finance).

No other material same-day disclosures were identified across the covered names.

Macro

Brent near \$79.25/bbl (22 Jun, about \$3.20 lower on the day) as easing Israel/US-Iran tensions and progress in US-Iran talks point to recovering Gulf supply (Fortune).

EGP about 49.99/USD (22 Jun — confirm), with the pound up roughly 6.6% over the month (Trading Economics).

CBE policy rate held at 19.00% (21 May); the next MPC decision is expected around mid-summer (confirm).

Calendar — coming days

24 June: e-finance (EFIH) dividend record date (payment 29 June).
